Education

2021 – present

shibpur, West Bengal

B.Tech, Indian Institute of Engineering Science and Technology, shibpur.
Securing a CGPA of 8.34

2019 – 2021

Velivennu, Andhra Pradesh

Intermediate, Sasi Junior college.
Secured a percentage of 97.

2018 – 2019

velivennu, Andhra pradesh

Class X, Sasi English Medium Schoool
Secured a CGPA of 10.0

Skills

Programming Languages:

C, C++, Java

Tools/Platforms:

Data Structures and Algorithms, Object-oriented programming System(OOPs)

Web Development:

Html, CSS, JavaScript, React, Nodejs, express

Databases:

MySQL, MongoDB

Interests

- Problem solving
- Webdevelopment

Projects

Hospital Resource Management, Connecting Users to the Nearest Suitable Healthcare 🔗

- Developed "Hospital Resources Management," a web app for quick hospital location during emergencies.
- Improved healthcare accessibility by assisting users in finding nearby hospitals tailored to their needs.
- Streamlined the identification of medical facilities in urgent situations.
- Demonstrated proficiency in web technologies and contributed to an intuitive user interface.

Technologies used: Html, CSS, JavaScript, express, Nodejs

Database: MongoDB

MERN Stack Blog 🔗

- Developed a full-stack blog application using the MERN stack, allowing users to create, read, update, and delete blog posts.
- Implemented user authentication and authorization using JWT tokens.
- Utilized React for the frontend interface, Express.js for the backend API development, and MongoDB for database storage.
- **Key Technologies Used:** MERN Stack (MongoDB, Express.js, React.js, Node.js), JWT Authentication, RESTful API design, CRUD Operations, Responsive Design.

Portfolio, "Exploring the World of Web Development: Journeying Through Projects and Progress" 🔗

"Welcome to my web development learning journey! This portfolio is a humble collection of my early projects as I dive into the world of web development. From basic HTML and CSS projects to my first steps with JavaScript, each project represents a step forward in my growth as a budding web developer."
